**Take 50% off your second pipette with the purchase of any Thermo Scientific Matrix multichannel electronic pipette.\***

See reverse side for details

Only Thermo Scientific Matrix electronic pipettes feature step-based programming to save you time. Custom programming is easy and intuitive, and your pipette can save five programs up to 40 steps each.

All Matrix® electronic pipettes are trigger-operated to save your thumb and reduce strain.

Adjustable tip spacing offers flexibility and increases productivity. A simple adjustment of the slide rod allows pipetting between tube racks, microplates and virtually any other type of labware.
